Saturday, July 13, 2024

To all officers and members in California,

Dear Sisters and Brothers,

I will be going to Sovereign Grand Lodge, so Vice President Marcy Harper-Seibel will be in charge from August 16-23, 2024.

Looking ahead, September is Scholarship Month. If your lodge or district gives scholarships to local students, please send me a note about that. If your lodge doesn't, please consider whether you could partner with nearby Odd Fellow lodges to do so.

Rebekah Assembly gives Scholarships, and the Scholarship Committee carefully considers all applications received by the deadline in March.

Donations to the Rebekah Assembly designated "Scholarship" help build and maintain the fund from which scholarships are paid.

RCS is interested in receiving school supplies as well as money for school supplies. They support local children with "back to school" kits in August, but have occasions to distribute school supplies throughout the year.

RCS also is interested in toys to give to the children in their programs, and their siblings, at Christmas. Please consider donating to the RCS toy drive.

If you have things to donate to RCS, and no way to get them to Gilroy, please let me know. I will find someone to help transport them.

In Friendship, Love and Truth,

Debra LaVergne, PRA
