Presidents Letter for all Rebekah Lodges,

Dear Sisters and Brothers,

I'm sending a very Happy New Year to all.

It's been a wonderfully busy time completing the last year then to start a new year. With friendships and connecting with the large group of Brothers, Sisters, Family, and Friends that spent time decorating our Rose Parade Float. Parade theme was "Magic in Teamwork". I had the pleasure of riding our float titled "*Community Garden*". We won the "*Golden State*" award, for the most outstanding depiction of life in California. Congratulation to all that participated, cared, and fed all of us for the week. The rain kept us hydrated.

I've attended several Installations this year. I attended Sacramento #2 Lodge's 175th Anniversary celebration. It was held in downtown Sacramento at their former hall. It is a beautifully kept intact Lodge Hall, a piece of our history.

We're now in February, the month of Hearts, be sure to share a special Heart felt complement for all close to the heart family and friends. Many of our Sisters, Brothers, and friends have experienced losses or have health issues of late. They all need to be in our Hearts, Thoughts, and Prayers.

Itinerary Reminders and updates, some could be changes, new.
