To all Rebekah Lodges,

Dear Sisters and Brothers,

This very fun year is coming to an end. I hope all Lodges are sending their quota of representatives to May session at the Peppermill Hotel and Resort in Reno. I'm looking forward to productive and fun sessions, as well as the free times together.

Dress for session is to have ankle length dress or skirt. Those needing mobility assist devices should dress in safe clothing. Please no jeans or shorts.

No preferred dress themes for days of session other than Officers having green or purple tops with black skirts. Friday I would like to give a shout out to Good Fellowship theme, of Country Fun. Place will be Capri ballroom at 7:00pm.

Thursday as in past will be our longest day. We will break for lunch. Nomination of officers will be Thursday morning with presentation of each, Qualifications will be printed with that day's proceedings. If a position does not have a nominee floor nominations will be accepted. You must have planned ahead enough to have paperwork to submit at that time from your supporting lodge on letterhead signed by Secretary and NG with your lodge seal, written qualification, copies of paid Dues Receipt, and Driver's license or ID to turn in to Assembly Secretary at that time.

Friday will be the most important day, with Election of Officers. We will want to complete by noon if possible so the Rebekah's who are representatives from Odd Fellows Lodges may go to the Grand Lodge sessions and vote in their elections.

Friday evening is Good Fellowship entertainment party, with the raffles drawings and any other drawings done. Also stay for the planned entertainment for all to enjoy.

Saturday will be wrap up day of completing anything left. The Vice President will present her Officers and program. I will give my final speech.

Saturday evening is the Installation of the new set of officers in the Capri Ballroom beginning at 7:00. Please join us to welcome and congratulate Linda Hoelscher and Carlos Juarez as President and Grand Master of California, with their official families of elective and appointed officers.

In Friendship, Love, and Truth,

Marcy Harper-Seibel, PRA
