President's Letters for all Rebekah Lodges,

Greeting Sisters and Brothers,

Hope summer is being good to everyone.

I'm happy to say this year has started with great times.

I attended the Meadows of Napa for fun and great BBQ as always. We had fun, games including the rousing competition of Bocce Ball, music raffles, and share the pot. The weather was great.

To all participating or attending SGL & IARA Sessions, I extend mercies and prayers for safe travel and great sessions with fun and fellowship for all involved.

There will be a Rebekah Initiation Sunday with The Cave Degree, with Debra LaVergne leading. We need volunteers to carry out the parts. If interested contact Debra at [debra.ella@gmail.com](mailto:debra.ella@gmail.com) for plans.
