District Deputies, "Ranch Hands",

I'm asking each deputy to write a report of a few lines. Report on the Lodges in your District, on the wellbeing and updates that would be pertinent for RA Execs Board. And pass on to incoming President Linda Hoelscher. Please E-mail or snail mail to me.

Please bring the Deputy case with you to session. If you have passed it to incoming Deputy being commissioned Please advise them to bring as the case needs to get any updates.

It has been a blessing to have worked with each of you this year.

I'm looking forward to productive and successful secession for May 6th through 10th in Reno. Safe travels for all.

Friendship, Love, and Truth

Marcy Harper-Seibel, PRA
